

In Kindergarten, this week we hope to

Learn about Jungle animals

Personal, Social and Emotional Development
The children will be working on being kind to others.

Communication and Language

The children will be encouraged to share their own opinions during circle time.

Physical Development

The children will be engaging in activities which strengthen their fine motor skills, such as making moon sand and biscuits.

Literacy

The children will be making thank you cards for people who have helped them this year.

Mathematics

We will be talking about shape properties and the children will be making 3D models.

Understanding of the World

The children will be learning about animals which live in the jungle.

Expressive arts and design

The children will be making paper plate snakes.
